

Poppy's Remembrance Wreath

Poppy the Remembrance Bear

Verse 1

Poppy has a special plan,
"Come on, bears, help if you can!"
Red poppies, leaves of green,
Let's make the loveliest wreath we've seen.

Buddy holds the ribbon tight,
Hugston says, "Does this look right?"
Scowlington sighs, "Oh, what a day!"
Poppy laughs, "We'll find a way!"

Chorus

♪ Round and round the poppies go,
Make our wreath and watch it grow.
Red and green, made with care,
A little love from every bear.
Poppy, Poppy, show us how,
We can make our wreath right now.
Paw by paw, we work together,
We will remember them forever. ♪

Verse 2

Unity adds one poppy more,
Hugston drops three on the floor!
Buddy giggles, Poppy grins,
Then everybody joins back in.
Soon their special wreath is done,
Made together by everyone.

Final Chorus

♪ Round and round the poppies go,
Look how beautiful they grow.
Red and green, made with care,
A little love from every bear.
Poppy, Poppy, hip hooray,
We made our special wreath today.
Paw by paw, together we say—
"We will remember"

WE
WILL
REMEMBER
